 **Book Learnin'**

B.A. in Graphic Design from Columbia College Chicago, includes projects in publication design, corporate identity, photography, illustration, packaging design, pre-press, and advertising art.

 **"Real" World**

**Association for Unmanned Vehicle Systems International (AUVSI)**, Arlington, VA. **Graphic Design Manager** for the entire association. Responsibilities include design and production for the monthly full colour magazine, sales, marketing and support materials for numerous annual symposia and exhibitions, logo design for Member Chapters, logo design for the educational AUVSI Foundation, electronic advertising for both AUVSI and outside sites and publications, and logos for annual student competitions.

**Washington Jewish Week**, Rockville, MD. **Production Director** of a newspaper. Responsibilities include overseeing a staff of two designers to complete the production of the weekly paper, including page layout, illustrations, advertising design, and supplemental publications, as well as promotional pieces and a yearly perfect-bound community resource guide.

**Chronicle Newspapers**, Springfield, VA. **Art Director** for six monthly direct-mail newspapers in Fairfax County. Responsibilities include the entire production process, from creative design for advertisers to page layout to creation and final check of PDFs sent to printer, and various other duties such as letterhead and rate cards.

**Stars and Stripes**, Washington, DC. **Photo/Graphics Editor** for seven separate editions of a daily newspaper published overseas, as well as a weekly publication. Responsibilities include choosing photographs and informational graphics and preparing them for print, as well as creating original graphics and illustrations.

 **On the Side**

Corporate identity for RDI Plastics Engineering; posters for Lambda Force, a Columbia College Chicago student organization; logo and CD design for various local musicians; Glyph Athletic Apparel identity and clothing design; bike graphics and give-away items for OC Racing; poster design for Village of Glencoe Chamber of Commerce; various multi-media collaborations with Virginia artists.

 **Techie Stuff**

Proficient in Adobe InDesign, PhotoShop, Illustrator, and Acrobat, QuarkXPress, Dreamweaver, Corel Draw and PhotoPaint; familiar with HTML, XML, CSS, Flash, Director, AutoCAD, and Freehand.
